About RiseBoro Community Partnership

At RiseBoro we unleash the potential of communities to thrive, no matter the odds.

Since 1973 RiseBoro Community Partnership, a pioneer in community development, has offered services in New York City designed to support every generation and meet the needs of communities. Our programs span housing, senior services, health care, youth development, arts, skills training, homeless prevention and access to healthy food. By connecting people to resources we help everyone in the community thrive, especially our most vulnerable populations.

We are proud of the work we do. But we can't do it alone. Thank you for your donation.
