

VOLUNTEER FOR FRIENDLY VISITS FOR SENIORS DURING THE COVID-19 HEALTH CRISIS

Overview

An offering of the RiseBoro Seniors division, the Friendly Visit program provides our most socially isolated seniors with in-person companionship from a Friendly Visitor Volunteer.

Due to COVID-19 we've changed the in-person visits to calls, but these calls are more crucial than ever before, as the ongoing pandemic further isolates our already most isolated.

That's why we're calling all do-gooders to volunteer to become Friendly Visitors and help some of the most vulnerable members of our community.

Additional Information:

- Volunteers are expected to contact their client at least once per week for a minimum 1 hour conversation
- Volunteers will be asked to commit for a minimum of 6 months
- Volunteer applicants will be interviewed over the phone
- Volunteers applicants will be required to submit 2 references
- Volunteer applicants will undergo a background check
- Volunteers will be matched with a client of similar interest, once the application process is complete
- The matching process may take 2-3 weeks to complete
