#### **About RiseBoro Homecare Inc.**

**At RiseBoro we unleash the potential of communities to thrive, no matter the odds.**

RiseBoro began providing Homecare services in 1979 to help support the community and their need for prevention of institutionalization for the elderly, frail and disabled. We provide homecare services in the 5 Boroughs (Brooklyn, Queens, Manhattan, Bronx, and Staten Island). RiseBoro has expanded its reach with agreements from Certified Home Health Aide Agencies (CHHA) to provide critical short-term care post hospital discharges. Our mission is to support our clients to live independently, in a manner that encourages a dignified lifestyle in the safety and comfort of their homes, while providing the best possible care.

**We are proud of the work that we do but we can't do it alone. Thank you for your donation!**
